

ROCKVILLE CHURCH SEEKS A PASTOR TO FILL VACANCY

Congregation of Christ Episcopal Invites Rev. Thomas A. Houghton-Burke.

ROCKVILLE, Md., April 8.—The Rev. Thomas A. Houghton-Burke, who has been making his home in Washington, has been asked by the vestry of Christ Episcopal Church, Rockville, to become pastor of that church. The church has been without a pastor ever since the death of Dr. Thomas J. Packard several months ago. It is believed that the vestry is extending the call to Dr. Houghton-Burke, who is a native of Rockville and who has been a member of the church since 1885. Dr. Houghton-Burke's last charge was the church at Tarrytown, N. Y., which he resigned about a year ago because of failing health.

Seventy pieces of property were sold at public auction yesterday by the county commissioners for taxes. They represented about the same value. Under the law property thus sold can be redeemed within two years.

John Parke C. Peter, one of Montgomery county's best known citizens, died at his home in Darnestown, aged seventy years. The funeral took place yesterday from the Darnestown Presbyterian Church. Mr. Peter was a native of this county and had lived in the county almost all his life.

A license to marry has been issued here to Louis Monard and Miss Nettie May Norwood, both of Buck Lodge, this county.

The Rev. William D. Keene, for three years pastor of the Rockville M. E. Church South, preached his last sermon before a large congregation Sunday evening, and yesterday removed with his family to Falls Church, Va., where he will take charge of the M. E. Church.

The primary election law passed by the recent legislature requires that the officers of registration sit one day prior to the primary election, and the supervisors of elections have given notice that the registrars for the various districts of the county will sit at the usual places on Wednesday, May 1, to register and transfer voters.

Mrs. Martha Rachel Volenky, of Bethesda, and Henry Louis Fabernwald, of the same vicinity, were married last evening by the Rev. G. W. McCullough, a Baptist minister. The ceremony took place at the home of the bride in the presence of several friends and relatives of the couple.

In Trinity Methodist Church, Germantown, in the presence of a large gathering, Miss Mary Elizabeth Dorsey, daughter of Mr. and Mrs. Bradley Dorsey, of Germantown, and Beall W. Unglesbee, also of Germantown, were married by the Rev. Jeremiah I. Winger, pastor of the church.

The Kensington town council has appointed Lawrence G. Flack, George H. Snyder and George W. Nagle judges to conduct the election to be held May 6, to choose successors to Mayor John A. Cannon and Councilmen William E. Birgefield and Fred A. Wright. Mayor Cannon will not be re-elected, but Joseph W. Buck, president of the Kensington Improvement Association, is a candidate for mayor. It is understood there will be a number of candidates for the two vacancies in the council.

Frank C. Norwood and Jacob Rohrbach, both of Frederick, candidates for the Republican and Democratic nominations, respectively, for associate judge of this circuit to succeed Judge John C. Motter, have filed with the supervisors of election for this county, certificates of their candidacy and have deposited their required \$5 each to insure their names being placed on the primary ballot.

At the annual election of officers of Cropley Presbyterian Church, of this county, the following were chosen: Trustees, Levi Hill, Percy E. Redden, Joseph H. Rodine, Charles F. Rodine, Arthur F. Hill and Thomas Bisset; treasurer, Mrs. Charles J. Rodine; organist, Miss Vivian L. Richardson.

At the annual meeting of the members of the Horticultural Society of the Sandy Spring neighborhood, the following officers were elected for one year: President, Roger B. Farquhar; vice president, John C. Bentley; secretary, Mrs. Charles A. Jodine.

The Rev. Harry G. Spencer, new pastor of St. Paul's Episcopal Church, Kensington, occupied the pulpit for the first time Sunday morning, being greeted by a large congregation. The new pastor comes from Carroll county. He is married and is about thirty-five years old. The Rev. W. G. McKenney, whom he succeeded, has been transferred to Anne Arundel county.

Mrs. Molly C. Cockley Is Called by Death

Mrs. Molly C. Cockley, wife of John A. Cockley, for eleven years a resident of Washington, died at Sibley Hospital early this morning, leaving an operation several weeks ago.

Funeral services will be held at 12:30 o'clock Thursday afternoon at the residence of her son, Frank C. Cockley, 215 First street northwest. Mrs. Cockley was born in Ohio, but when a young woman married her husband, she moved to Washington. Mrs. Cockley is survived by her mother, Mrs. M. C. Lindholm, in Germany, and by her son, Frank C. Cockley, in Baltimore.

DON'T USE DRUGS FOR CONSTIPATION Just Try Nature's Cure

We all know that Constipation brings on countless other complaints if not taken in hand; appendicitis among them—also that any drug will lose its power after being taken for a time—but we should also know that every drug forces Nature, instead of assisting her, and will, if continued, make us slaves to them.

There is now a method of internal bathing which will keep the intestines as clean and pure and free from waste as excreting Nature can demand—which, taken occasionally, will prevent constipation, biliousness, with its depression, and the countless more serious diseases which are caused by the blood taking up the poisons from the intestines and carrying them through the system.

That method is the "J. R. L. Cascade," which is being enthusiastically used by many thousands, is prescribed by many of the most enlightened physicians everywhere and is now being shown and explained by A. J. Evans, Drug Stores, 12th & F. N. W. 904 G. St. N. W., Washington. Everyone should at least investigate this nature-cure without delay. Ask for booklet, "Why Man of Today Is Only 50 Per Cent Efficient."

PATIENTS TO DANCE AT ANNUAL BALL

Inmates of Hospital at Anacostia to Trip the Light Fantastic in Hitchcock Hall—More Than 700 Are Expected to Attend.

WASHINGTON TIMES BUREAU, ANACOSTIA, D. C., APRIL 8.

The annual Easter ball for the entertainment of the patients at the Government Hospital for the Insane will be held tonight, Hitchcock Hall, where the dance will take place, has been lavishly decorated with flowers, all the floral decorations that filled the big chapel last Sunday at the Easter service having been removed to the new hall. While the ball will be held primarily for the amusement of the inmates, there will be present many employees and their friends. In fact, probably 700 people will attend the dance. St. Elizabeth's orchestra will render the musical program, which will be made up of conservative dances and waltzes.

The employees of St. Elizabeth's are to have their Easter dance on Thursday evening in Hitchcock Hall, when they expect to entertain a company of several hundred people. This is an annual function with them.

The annual parish meeting of the vestrymen of the Episcopal Church, of Congress Heights, which took place last evening in the edifice, had some pleasant features. For one thing it developed as the reports were read concerning the progress of the parish that Col. and Mrs. Arthur E. Randle have donated to the church a large lot in the rear of the building. This lot will be used for building purposes of some sort in the years to come, and a resolution of thanks was passed, transmitting the appreciation of the association to the donors, who a number of years ago made it possible for the Episcopal Church to be erected in Congress Heights, when they supplied the ground and the funds for its construction. The generosity of Colonel and Mrs. Randle was referred to in warm terms last night, when these things were recalled. A letter of thanks will be sent to the Rev. William G. Davenport, rector of the Emmanuel P. E. Parish, at Anacostia, and to the church choir there for their presentation of a handsome crucifix to the Father Memorial Crucifix.

The annual election of vestrymen and wardens resulted as follows: Jonas Heatt, G. T. Story, Samuel M. Fillick, junior warden; Milton J. Fillick, treasurer (re-elected); Alfred T. Brown, senior warden (re-elected); Howard Brady, registrar (re-elected); Edward Blaine and John B. Darling, trustees (re-elected); Alfred T. Brown, J. Fillick, delegate, and Alfred T. Grimes, alternate, to the diocesan convention. Vestrymen present were the Revs. William G. Davenport and Charles F. Sontag.

Anacostia Chapter, No. 12, Royal Arch Masons, was visited last evening at its regular meeting in Anacostia Masonic Hall by the officers of the grand chapter of the District and members of the High Priest's Association. The past and most excellent degree was conferred in the presence of a gathering that filled the lodge room. Adolphus Gude, deputy grand high priest, conferred the degree. Joseph S. Jones, grand high priest, with his staff of officers, received a welcome from members of the local lodge when they arrived in the hall.

At the conclusion of the business meeting a smoker was given, and among those who made addresses were Grand High Priest Jones, E. St. Clair Thompson, past grand high priest; Past Grand High Priest Mull, Adolphus Gude, deputy grand high priest, and Orville Brown, grand lecturer. The visitation of the grand officers was wholly an unofficial one.

The suburb of East Washington Heights was represented by too few citizens at the regular meeting last night in the Baptist Church in Bowen road, of the East Washington Heights Citizens' Association, so President H. A. Buscher and Secretary David C. Fountain mapped out some of the things that the association will be called upon to interest itself in, notably the municipal cleaning-up campaign, the plan of assessing property owners for benefits derived from the reclamation of the Anacostia flats.

Mineola Tribe, No. 11, Improved Order of Red Men, has announced an open meeting for Friday evening next in Anacostia Masonic Hall. The principal speaker will be J. W. Yessley, of Pennsylvania.

Joseph Bartley is spending his Easter vacation from Georgetown University

Last Opportunity to Purchase The Famous Arnold Vibrator At Reduced Prices

Demonstration Positively Ends Wednesday, April 17

This wonderful renewer of vigor and producer of healthy beauty has become so well known and so widely used in Washington homes that our public demonstration moves on to another city.

The low demonstration price for which the Arnold Vibrator is offered ceases with the end of the demonstration.

If you have not yet secured your Arnold Vibrator, take advantage of the few remaining days while demonstration reduction yet prevails.

The uses of this wonderful health bringer are manifold—in acute or chronic illness it is indispensable—its results are quick and permanent. As a developer and beautifier, its equal has never been found.

Its benefits are so sure and permanent that you can ill afford to miss securing one. Now's the time—come before the demonstration ceases—April 17th—and profit by the demonstration reduction.

GEORGETOWN FAVORS TRANSFERS TO ALL PARTS OF THE CITY

Citizens' Association Also Believes Measure in Senate Does Not Fill the Bill.

The Georgetown Citizens' Association is in favor of universal transfers. After months of delay this association, the only one to oppose universal transfers, has reversed its position, and declared in favor of the general proposition of universal transfers.

Every citizen's association in the District, so far as known, is now on record in favor of transfers. The Georgetown association refused to take snap judgment, and the executive committee has had the matter under consideration since last fall. The report of the committee, made at a meeting in Potomac Savings Bank Hall, last night, was unanimously approved.

With respect to the pending legislation on the subject, the executive committee of the Georgetown association has said this to day: "We do not believe that the bill introduced in the United States Senate meets the object aimed

at, and the substitute bill proposed to the House committee by representatives of certain of the citizens' associations and the Chamber of Commerce, is crude, and its provisions so drastic in their application to the local traffic companies that there is little if any possibility of its being passed by the House, even if it should meet with the approval of the committee having it under consideration."

The park policeman, keeping the peace and guarding the Federal reservation of Dupont circle, has had his beat considerably extended. As a matter of fact this policeman now has the record beat to patrol in the District of Columbia, where Major Sylvester says that every policeman has about twice too much territory to cover and look after. The Dupont circle policeman will in the future make occasional pilgrimages to the hill in Georgetown to care for his new duties as policeman and watchman at Monrovia Park, the biggest in the city, with 120 acres of rolling lawn.

Announcement of this fact was made in a letter from Col. Spencer Cosby in charge of public buildings and grounds, read before the Georgetown Citizens' Association last night. The association had under consideration a proposition to make an appropriation for benches in the new park, if Colonel Cosby was unable to furnish them. A letter of inquiry was sent to Colonel Cosby with respect to both benches and watchmen, and in reply the colonel told of the extension of the beat of the Dupont circle policeman, and said that a full quota of benches would be furnished if the needed appropriation for the improvement of Monrovia park pending before Congress was passed.

A special committee of three members of the association was appointed to confer with Colonel Cosby on benches and other similar matters.

Dr. E. G. McKelway, secretary of the Child Labor Bureau, addresses the association on police and traffic regulation protection for children playing in the streets.
